World Travel Awards was established in 1993 to acknowledge, reward and celebrate excellence across all sectors of the tourism industry.

Today, the World Travel Awards brand is recognised globally as the ultimate hallmark of quality, with winners setting the benchmark to which all others aspire.

The awards are voted for by travel and tourism professionals worldwide, and this accolade recognises the commitment to excellence which the award winners have demonstrated in the last twelve months.

World Travel Awards President Graham Cooke said, "It has been an honour to recognise some leading hospitality providers from Asia and Australasia here tonight and I offer my heartfelt congratulations to each of them. What a fantastic evening we have here; this has truly been a highlight of the tourism calendar here in Vietnam.

Managing director of Oakwood Asia Pacific Dean Schreiber responded to the awards, "We are truly honored by these multiple awards from our peers. These industry votes are a recognition of the standards that Oakwood has achieved, and the result of the commitment to excellence of Oakwood and all our associates in the service of our guests, both on long- and short-term stays. We are particularly proud of Oakwood Residence Kapil Hyderabad, which has won this accolade in the first year of its operation, having opened only in June 2015.
